Test Equipment

Portable Power Metering

Single/Three Phase Power Meters
Data Loggers and Analyzers
Plug Meters for Residential/Office
Current/Voltage Loggers

Power Quality Analyzers

Single/Three Phase Loggers and Analyzers
Specializing in Advanced PQ Analyzers for all applications

Thermography Equipment

Thermal Imaging Cameras and Software
IR Thermometers
Infrared Inspection Windows

Digital Multimeters

Variety of Handheld Digital Multimeters
Clamp-on Meters
Intrinsically Safe Meters
Accessories, Leads, Cases, CT's

Commissioning & Testing

Ground Resistance Testers
Insulation Resistance Testers
Transformer Testers
Single/Three Phase Relay Testers
Circuit Breaker Analyzers
Primary/Secondary Injection
Oscilloscopes

Calibration Equipment

Process, Documenting, Frequency
Temperature, RTD, Thermocouple
Dry Block
Loop, mA, DC
Hand Pumps
Loop Power Supply
Pumps (Pressure/Vacuum)
Tubing and Fitting Kits
Pressure Calibrators
HART & Fieldbus
Guage, Multi-Function

Data Loggers

Temperature, Humidity, Signal, TOU, Electrical
Single/Multi-Channel, software-based
Chart Recorders
Data Acquisition Systems
Paperless Data Loggers
Power Loggers
Wireless Data Loggers
Fibre Optic Temp Measurement

Air Quality

Air Quality Testers
Air Velocity and Flow

HVAC

Moisture Meters
Humidity Meters
Bimetal Thermometers
Contact Thermometers
Dew Point
Fiber Optic Thermometers
Glass Thermometers
HVAC Controls
Infrared Guns (IR) & Thermometers
Moisture Analyzers
Handheld PRT's
Psychrometers
RTD Devices
Temperature Loggers
Transmitters, Temperature & Humidity
Borescopes
Thermocouple Connectors
Thermocouple Probes & Wire

Power & Energy Products

Permanent Power Metering

Home Energy monitoring systems and Plug Metering
Electrical Panel Meters, Sub-meters, Circuit Monitors
Advanced Power Quality metering products and systems
Current Transformers, Potential Transformers and Enclosures
Communication Accessories / Web Access Solutions

Energy Conservation

VendingMiser product line of motion control systems
Demand Controllers and Industrial Timers

Power Quality

Harmonic Mitigation Transformers
Harmonic Filters for VFD's

Gas & Personal Safety

Gas Detection & Analysis

Single & Multi-gas units
Portable, personal and fixed systems
All common and exotic gases
IAQ and HVAC Testing equipment
O2 (Oxygen) & Gas Analyzers
Combustible Leak Detectors
Ultrasonic Leak Detectors/Cleaners
Refrigerant Leak Detectors
Flue Gas Analyzers

Electrical Safety

Infrared Viewing Windows
Personal Protective Equipment (PPE)
1000V Double Insulated Hand-tools
Thermography Products
Non-contact Voltage Detectors

Air Quality

Air Quality Testers
Air Velocity and Flow

Thermography

Thermography Equipment

Thermal Imaging Cameras and Software
IR Thermometers
Infrared Inspection Windows
Thermography Training
Infrared (IR) Guns

MyFlukeStore.com

MyFlukeStore.com is our brand-dedicated web store featuring all products manufactured by Fluke Electronics. PQ Analyzers, Multimeters, Infrared cameras, Calibrators and all accessories are featured on this learning-resource-rich site.

PowerMeterStore.com

PowerMeterStore.com is our product-oriented site to promote all types of portable and permanent power meters. Used by energy auditors, our portable products cover the full range of requirements. Facility owners and managers like our permanent sub-metering and power metering products. Complete solutions including required accessories are featured.

CanarySense.com

CanarySense.com is our brand-specific site for BW Technologies and Honeywell Analytics. A full range of single and multi-gas detectors, calibration supplies and sensor spares are available.

DataLoggerStore.com

Need a DataLogger for anything at all? DataLoggerStore features single and multi-channel loggers to record voltage, current, process signals, temperature, humidity, and many more values. Most have analysis and reporting based software tools.

PowerCostMonitor.com

PowerCostMonitor.com is our product-dedicated site featuring the popular in-home power meter product called the PowerCost Monitor. See what the PowerCost Monitor can do for you.

MyMeterStore.com

MyMeterStore is our most comprehensive site features all the portable-oriented products from all our sites in one location. Multiple, brands and product categories make this a great site find whatever you are looking for.

PQMeterStore.com

PQMeterStore.com is dedicated to Electrical Power Quality solutions for commercial and industrial customers. Portable instruments and permanently install high-end PQ meters are featured. Learning resources are available.

ShopFLIR.com

ShopFLIR.com is our brand-dedicated web store featuring all the Thermal Imagers (Infrared cameras) made by the worlds leading IR manufacturer, FLIR Systems. Featuring Building Diagnostic and Electro-Mechanical cameras, we carry the full line.

ShopExtech.com

ShopExtech.com is our brand-dedicated site for all the products made by Extech, a FLIR company. Leading edge portable Electrical equipment, HVAC tools, Building Diagnostic tools and many items are featured. Over 900 products!

MyAEMCStore.com

MyAEMCStore is our brand-dedicated web store featuring all the products made by AEMC Instruments. Ground Testers, Insulation Resistance testers, and all other AEMC test gear make it a great site for electric field service companies.

VendingMiserStore.com

VendingMiserStore.com is dedicated to the energy conservation "Miser" product line. Occupancy-sensor based controllers can be used to save energy. See the VendingMiser, CoolerMiser, SnackMiser and PlugMiser.

TED5000.ca

TED5000.ca is our product-dedicated site (Canada only) featuring The Energy Detective (TED). The TED is one of the most popular in-home energy metering/sub-metering products on the market.

GroundTesterStore.com

GroundTesterstore.com is our product-oriented site for all types of Ground Resistance testers. Clamp-on and Fall-of-Potential testers from Fluke, AEMC, MTP, and others are featured on this site.
